

OOPS!ies

(из письменных работ студентов)

- Of course, the main meal of all students is tea. Tea with bread and butter, with sweets or with our own tongue is the best one.
- Word order in English is of great importance as English words have hardly any infections.
- She was twice a widow and stupid.
- He asked her to marry him and she agreed with him.
- We love together very much.
- He is hardly ever able to come to the University on time because of traffic germs.
- It will never do to waste time in vein.
- Some children like making sandcastles and fords and channels in the sand.
- I'll go and say good-buy on the farm.
- Judson wanted to have a look at his beloved closet. He opened it and entered.
- If a man rubs me of five dollars, it is the same as if he took a hundred.

(из изложений)
