

## Our group

Our special group – it's **231**.  
We'll always be together,  
We're making jokes and having fun.  
We'll stay like this forever.

The first comes pretty **Helen**,  
The cleverest of us.  
You'll surely rely on her  
When there's no one to trust.

She likes to meet new people  
And driving in a car,  
She also likes black horses  
But hasn't one so far.

Our kind and smily **Natalie**,  
She likes to flirt with guys.  
And they like her civility  
And her inviting eyes.

She's always in a hurry,  
She wants to do her best  
To get a lot of money  
And then to have a rest.

And now our swimmer – **Lesya**.  
Her life is so exciting!  
She likes to paint her fingernails  
And have a bit of fighting.

She speaks Chinese a little,  
Keeps wearing a hat.  
A pretty sporty lady!  
Fruit ice-cream drives her mad.

A little sweet tooth – **Julie L.**  
She is our dancing queen.  
She wants to be a singer,  
But it's a might-be dream.

The lawyers drive her crazy,  
And so does sunny weather.  
She likes to get amazing  
And too expensive presents.

Our lovely blondie – **Nastya.**  
She has a zoo at home:  
Three cats, two dogs, a hamster,  
Some chickens and so on.

The candles are her passion,  
She doesn't like pea-soup.  
A girl of great attraction,  
The monitor of our group.

Another cutie – **Svetick.**  
Her clothes are always green,  
She likes to dance to music  
And watching some good film.

She's an attractive person  
And very good at sport,  
She likes to study English.  
A clever girl in short.

Our **Olga V.** is very calm,  
She's nicer than spaghetti,  
She likes both sweets and bubble-gum.  
She makes her groupmates happy.

She likes her elder sister,  
She's fond of reading books.  
And you cannot imagine  
How perfectly she cooks!

The girl who's always laughing  
Is **Olga Z.** of course.  
She likes to eat much ice-cream  
In biting winter frosts.

She's fond of watching cartoons  
And clouds in the sky,  
One look of Little Puppy  
Will make her wanna cry.

Then **Julie P.** – a rainy girl.  
The music is her drive.  
She likes bananas very much  
They make her feel alive.

She likes long-haired guys  
And little pussy cats,  
She is a peaceful person  
And has a lot friends.

The third of Julies – **Julie O.**  
Our lovely blue-eyed angel.  
She often travels home,  
For us she's like a stranger.

A very friendly person  
Who wants to marry soon,  
Her dream's to go to London  
To spend her honeymoon.

Another girl's name's **Polly**.  
She has become a mommy:  
She bore a little sonny  
Who's nice and sweet like honey.

She's mad about her baby,  
And she's the finest wife.  
She is the kindest lady  
And active in group's life.

At last our dear teacher  
**Zavyalova Z.S.**  
She is a lovely creature.  
For us she is the best!!!
